## Do you have any other suggestions to improve club operations?

Answered: 33 Skipped: 61

I question allowing \$10 drop in fee if our daytime membership (full day time) increase. would be nice to have one team entry spiel

Give Bev a raise she is doing a great job! Consider hosting a stock curling bonspiel to try to promote this game. Perhaps have a non-stick curler have to team up with a regular stick curler

Change tie break rules, in league formats, for teams that lose in a draw to the button. 3 Pts for Win, 2 Pts for loss by a draw, 1 Pt for a regulation loss. May help settle ties at the end of a draw.

Lockers in the centre of the men's room could be moved into the hall outside the door for those who only store brooms and shoes. Frees up change space! Badly needed!!!

3/17/2014 9:12 AM [View respondent's answers](#)

Move centre lockers into the hallway and rent them to individuals who only store their brooms and shoes and don't need a locker room to change. This would free up more space for individuals who use the locker room to change.

I would like to see more practice time available especially for teams who are playing in Provincial Playdowns.....and if Cornwall is hosting the Event, then every effort shd be made to accommodate these teams a couple of weeks prior to the date of the Event.

I think 6 and 8 o'clock draws should be considered for all nights. Getting off the ice at 10 as opposed to 10:30 would make a big difference, especially when you have to work in the morning.

As long as you play in a league then you should be able to pick 3 other members who also play in a league but not together, with a small amount of curlers to choose from other provinces are doing this.
