

In 2022, the Board of Directors of the Cornwall Curling Club approved a project to replace our aging curling rocks with a brand new set of rocks. This is an exciting initiative for our Club which will improve the quality of the curling experience for all of our members and guests for years to come! With a project of this magnitude comes a significant financial commitment. In addition to allocating a portion of our Building Fund to this expense, the Board is seeking additional sponsorship from members and others to offset a portion of the cost.

### Introducing our Adopt - a - Rock Sponsorship Program

The Cornwall Curling Club is offering members and supporting businesses an opportunity to be part of the legacy of the curling club by sponsoring a rock handle. As a rock handle sponsor you will have the opportunity to have your name, your family's names, company name, or memorial message engraved on one or more rock handles.

The cost per rock handle will be \$275 which includes the handle, engraving and delivery or you can adopt a pair of rocks for \$500. We anticipate that these rock handles will remain in use at the club for the next ten years.

Requests for rock handle sponsorships will be accepted on a first-come, first-served basis as there are only 64 rock handles available to be engraved. We would like to secure all rock sponsorships by *May 1st* so that the rock handles can be ordered, engraved and installed over the summer prior to the start of next curling season.

If you would like to adopt a rock simply fill out the information below and return it to the bar or Club Manager. If you are not interested in having your name on a rock but would like to support the rock replacement program please feel free to note that below as well. We thank you for your support of this important initiative.
