Halloween evening has typically resulted in little to no teams interested in curling at that time. Since Halloween falls on a Tuesday this year, there is no draw scheduled for Tuesday 31 October. If you wish to make use of the available ice time please contact Travis to schedule.

Note that ice time rotates from 6:30pm to 8:30pm each week. This allows for maintaining equal early and late draws with the other Division. Any draws missed due to weather etc. will be moved to the end of the schedule to maintain the equal amounts of early and late draws over the course of the round.

Good luck and good curling!!

Peter Murdoch - Drawmaster
