

Here are the pools for Round Two. The B Pool gets the early draw the first week, as they had the late draw the last week of Round One. Team Arsenault has requested a bye on January 31, while Team Watts has asked for one on Feb. 28th. We will honour those requests.

Teams are reminded to check the draw times the first week, as, if they changed pools, they will be curling at the same time they did last week.
