Wed. Eve. Ladder League – Round 3 Draw and Schedule

March 10, 2024 Derek

Here are the draw and schedule for the final Wednesday evening Ladder League draw of the season. We've been fortunate to have had no draw cancellations this year, leaving us with four weeks left for a "mini" draw.

The "A" pool will get the early draw the first week, as they had the late draw the last week of Round Two. Picking definitive winners will be difficult in a partial draw with byes, so the final results will be open to interpretation!

Here is the draw/schedule for Round Three:

I think there is a mistake for Mar 27. You have the Neima team in both A and B pools.
