Description of draw: **Find your team and the date you are playing.** The ice number is designated for 2 teams to play on that sheet of ice.

**Notice the ice time rotates from 6:30pm to 8:30pm each week. This allows for consistency, maintaining group consistency and equal early and late draws. Any missed draws due to weather etc. Is moved to the end of the schedule to maintain the equal amounts of early and late draws over the course of the round.**

**Due to the delays and changes in the rules of play, it was very difficult to balance the byes for this round and when they would occur. If your team is not going to play after a certain date, please let me know so we can get the bye team to fill in on that sheet. Thanks.**

**Good luck and good curling!!**
